Thrift Prints are economical basic prints, without any retouching, enhancements or print finishes, delivered in acetate sleeves.

(Presentation Folders sold separately. Normal delivery is three to five work days from the date of order.)

Custom Prints: These prints receive added hand retouching to blend blemishes & lines under the eyes for a fresh sunshine look! A soft vignette darkens the print corners for a professional appearance and adds emphasis to your portrait.

(Presentation Folders sold separately. Normal delivery is five to seven work days from the date of order. Protective finishes are available with subsequent grades.)
